CONSUMPTION AND ITS CURE.

Victims of this awful disease are found in every neighborhood, in almost every house. For them and for their friends, we have tidings of good cheer and hope—the announcement of a most important discovery, firmly based upon common sense and reason, by which the terrible malady is positively controlled, and its victims are permanently restored to health.

WILLSON'S CARBOLATED COD LIVER OIL.

It is not a secret of empirical nostrum. It is a happy combination of two remedies known to physicians everywhere as the best means of combating consumption. This combination is Mr. Willson's discovery and is founded upon the following SOUND REASONING:

Consumption is decay. Soothing, expectorant remedies are only useful as palliatives; they do not reach the cause—they do not stop the decay. Tonic medicines strengthen the life forces and prolong the battle, but the decay goes steadily on, and sooner or later the victim must yield. Climate changes are sometimes good, but they seldom wholly cure. In short, the first thing to be done is TO STOP THE DECAY; then apply the restorative, tonic and strength giving treatment. Think a moment. The lungs are decaying—tubercles, ulcerations, cavities and deposition carries this poison all over the body. Wasting, loss of appetite, emaciation, night sweats, and all the terrible symptoms appear; it is worth while to doctor the symptoms, which are merely the results, while the decay, which is the cause, is eating up the life springs.

The two things are well known by the best physicians: 1. Carbolic acid positively arrests decay. It is the most powerful antiseptic in the known world. Even dead bodies are preserved by it. Entering into the circulation it at once grapples with corruption, and decay ceases. It purifies the sources of disease. 2. Cod Liver Oil is nature's best assistant in resisting consumption. It is at once a food, a tonic, a purifier, a healer. It braces up and supplies the vital forces, feeds the wasted system, and enables nature to repair her foothold. For these purposes nothing can compare with Cod Liver Oil. This is the theory of WILLSON'S CARBOLATED COD LIVER OIL.

As described fully in the inventor's circular, which will be mailed, upon application, to any address. We cannot afford space to tell the whole story here, or to give the numerous certificates from eminent physicians and the absolutely wonderful results flowing from this great discovery. Suffice it to say, it is curing thousands who supposed themselves to be at death's door.

Willson's Carbolated Oil is scientifically prepared with the purest carbolic acid, so combined as to be entirely harmless, with SWEET NORWEGIAN COD LIVER OIL.

From the celebrated fisheries at Aalesund (Norway), pronounced by physicians to be the most delicate, efficient cod liver oil in the world. It is easily taken, tolerated by the weakest stomachs, digests readily, never becomes rancid, and is almost entirely free from the usual disagreeable characteristics of cod liver oil.

For every use of cod liver oil Mr. Willson's discovery is of the greatest value. For the safe, internal administration of carbolic acid Mr. Willson's method of combining it with cod liver oil is absolutely necessary.

WILLSON'S CARBOLATED COD LIVER OIL

Is a specific and radical cure for CONSUMPTION AND SCROFULOUS DISEASES.

Remember the name, "Willson's Carbolated Cod Liver Oil." It comes in large wedge-shaped bottles, bearing the inventor's signature, and is sold by the best Druggists. Prepared by J. H. Willson, St. John St., N. Y. SOLD BY ALL DRUGGISTS, RICHARDSON & CO., ST. LOUIS; Wholesale HERBERT & EDSALL, Chicago; Agents, 8-1-daw ly

\$300,000

JOY TO THE AFFLICTED

CHALLENGES THE WORLD

DR. SHERMAN'S

CELEBRATED

SYPHILITIC ERADICATOR.

This preparation is acknowledged to be superior to all known medicine as a sure and certain cure for syphilis in all its forms, no matter how deplorable the condition of the patient. It is entirely vegetable. It can be taken in all conditions of the system, and with safety, also, in connection with other medicine, if the patient desires. The recipe, from which this preparation was made, was obtained from an old physician in South America, in 1822, by Dr. Sherman, Sr., who has used it with unparalleled success in the treatment of syphilis, not only exciting the admiration and astonishment of leading citizens, but of the medical faculty, and has saved the lives of many afflicted when given up as past hope by skillful and eminent physicians.

One bottle will satisfy the greatest skeptic as to its superiority over all other preparations now in use.

Price, 85¢ per bottle. Sent to any part of the United States by express. Prepared and sold only by

DR. SHERMAN, The Great Specialist, No. 5 Christy Av., St. Louis, Mo.
